Auswahl Bodenführung / floor guide selection

Wählen Sie die Bodenführung anhand der gegebenen Sockelausbildung, und beachten Sie die entsprechenden Hinweise in den Montageschritten /
 Select the floor guide on the basis of the given plinth design and follow the corresponding instructions in the installation steps

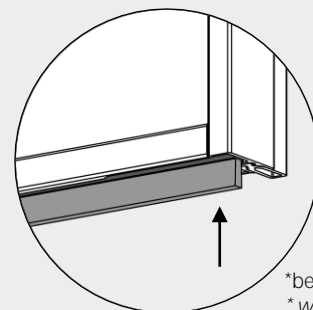

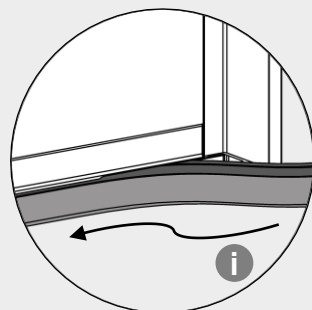

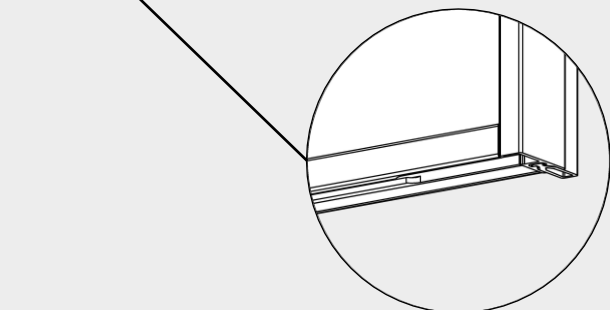

Vorbereiten Bodenführung / preparing the floor guide

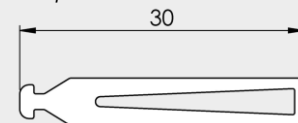

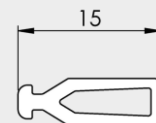

Diese Montageanleitung zeigt eine nach rechts öffnende Türe, bei einer nach Links öffnenden Türe erfolgt die Montage der Dichtprofile gespiegelt
These installation instructions show a door that opens to the right, with a door that opens to the left, the installation of the sealing profiles is mirrored

Profil Griffseite*
 profile handle side*

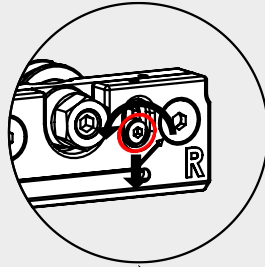

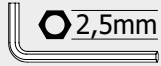

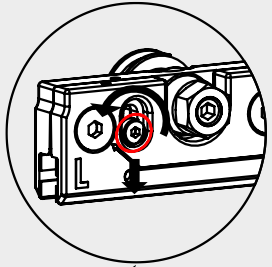

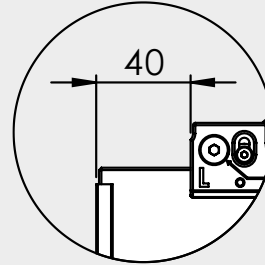

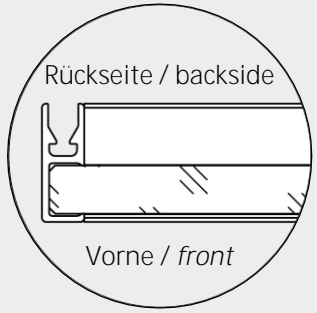

Profil Wandseite
 profile wall side

*bei Verwendung eines Distanzprofils, dass dem Set beiliegende Profil verwenden /
 * when using a spacer profile, use the profile supplied with the set

Wandbefestigung / Wall-mounting

- GH = Gesamthöhe / total height
- TH¹ = Glashöhe / glass height
- TH² = Türhöhe mit Rahmen / door height with frame
- TB = Türbreite / door width
- BH = Bohrhöhe / drilling level
- LDH = Lichte Durchgangshöhe / pass line height
- LDB = Lichte Durchgangsbreite / pass line width

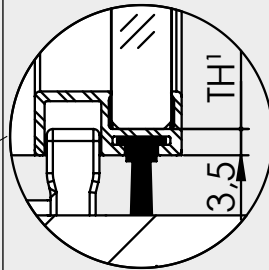

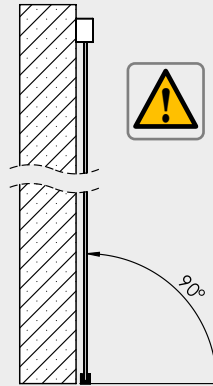

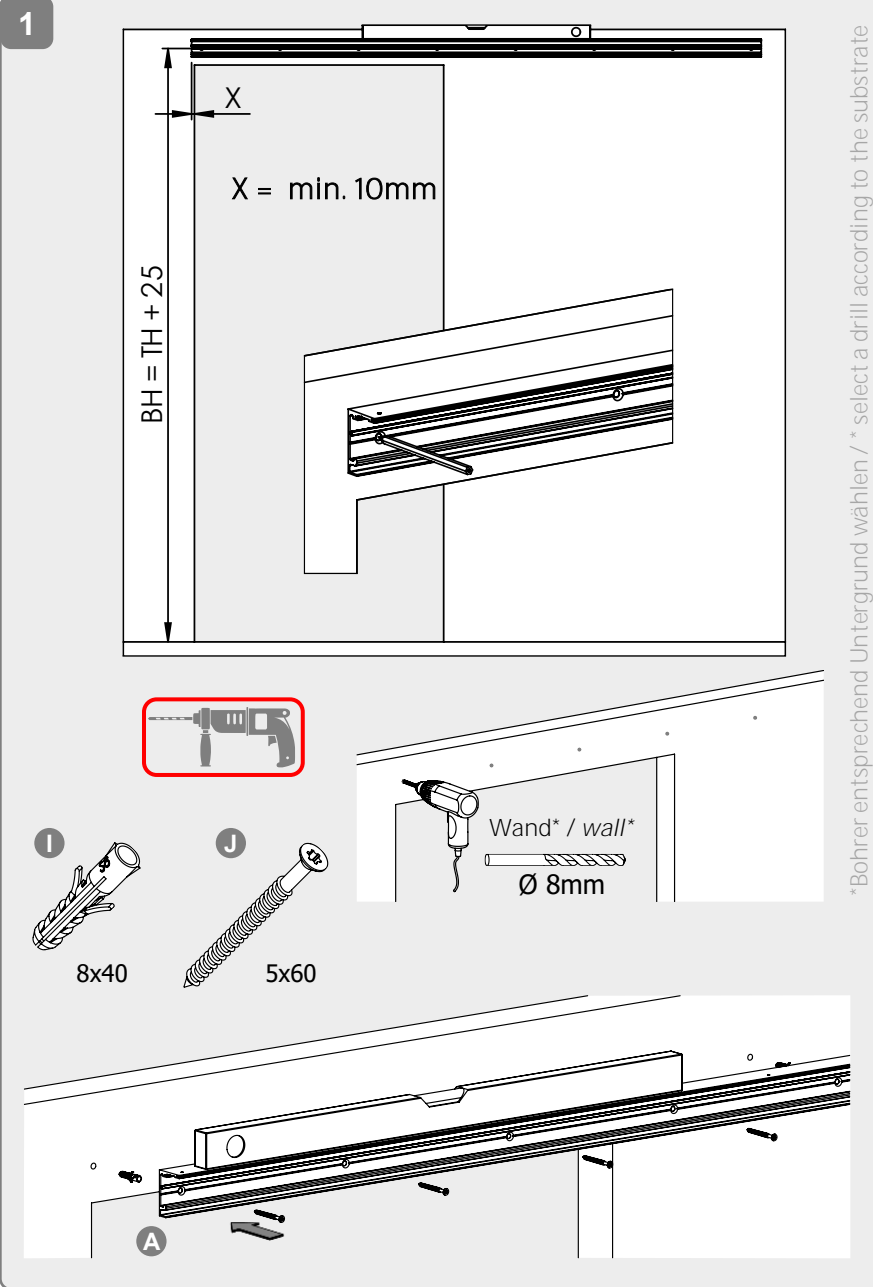

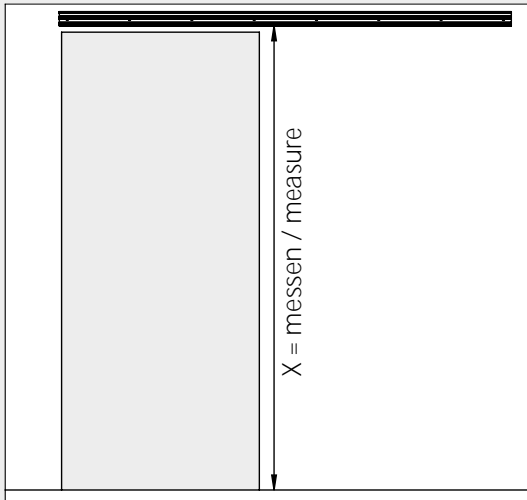

Abbildung nicht maßstabsgetreu / illustration not to scale

*Bohrer entsprechend Untergrund wählen / * select a drill according to the substrate

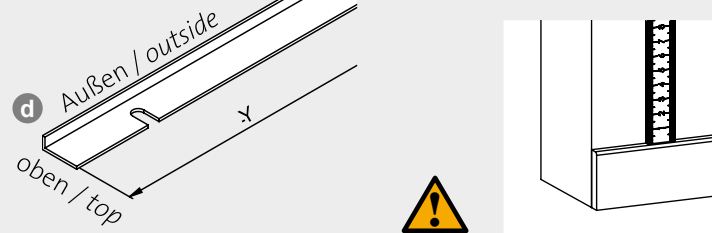

SCHIEBETÜRSYSTEM PLANEО X - AIR silent

2

Beim Anreißen und Ablängen bitte darauf achten, dass der kürzere Schenkel nach außen zeigt, und der kurze Bohrabstand zur Laufschiene zeigt / when marking and cutting to length, make sure, that the shorter side points outwards, and that the short drill distance points towards the rail

$$Y = X - 2\text{mm}$$

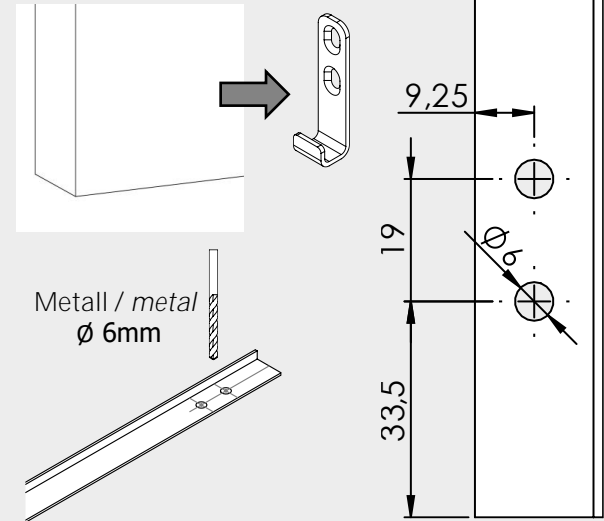

Wenn eine Sockelleiste vorhanden ist, bis auf deren Oberkante messen / If a baseboard is present, measure up to its upper edge

2a

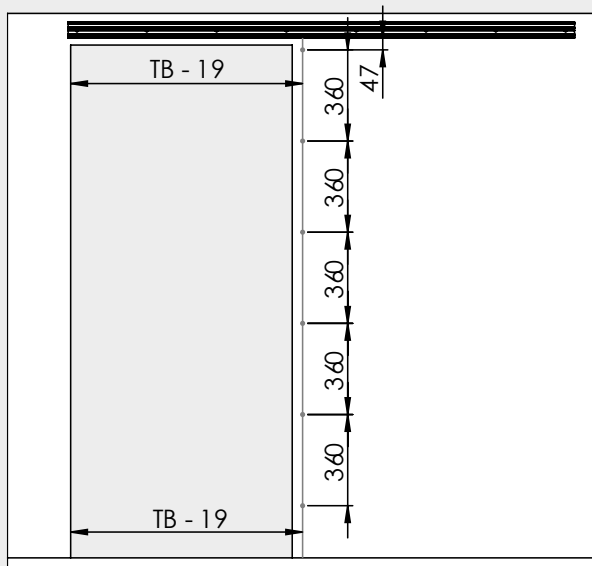

Nur bei Verwendung Bodenführung Wand / only when using floor guide Wall

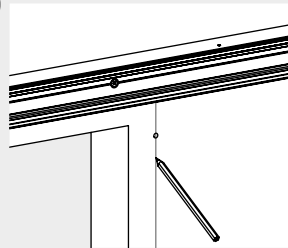

*bei Verwendung eines Distanzprofil-Set, dass dem Set beiliegende Profil verwenden / *when using a spacer profile set, use the profile supplied with the set
