

Stiftwechsel für größere Türstärken PIATTA S smart2lock / Square pin change for larger door thickness PIATTA S smart2lock

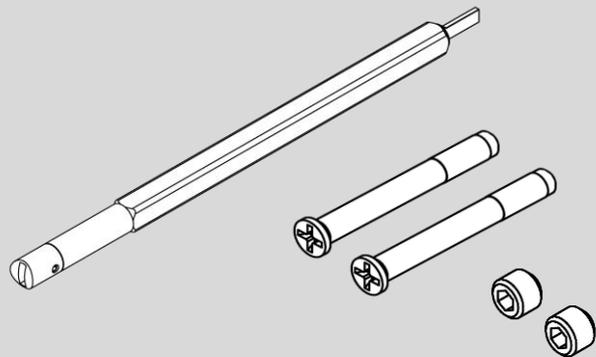

SICHERHEITSHINWEISE: Der Vierkantstift ist mit einer Feder gespannt. Beim Aushängen der Feder muss das Werkzeug und der Griff gut festgehalten werden um Verletzungen zu vermeiden.

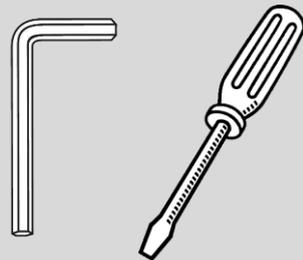

SAFETY-RELATED INFORMATION: The square pin is stretched with a spring. When unhooking the spring, the tool and handle must be held firmly to avoid injury.
